Follow-up Discussion— Led by Charlotte Lehan, Co-Chair
This presentation and follow-up discussion is a continuation of the C-4 workplan item: Urban Service Delivery. In April, C-4 heard a presentation on the Urban Growth report from Metro and had a robust discussion on the topic. This month's meeting will focus on the services provided at the county level to cities and unincorporated areas. Both of these presentations and discussions are intended to help C-4 understand the issues around urbanization and opportunities and barriers for coordination between the counties, the cities, the unincorporated areas and the special districts. Ultimately, the Board of County Commissioners and staff will be considering how to best approach and improve urban service delivery as we grow in the future.
